

SEAFIELD

GOLF & SPA HOTEL

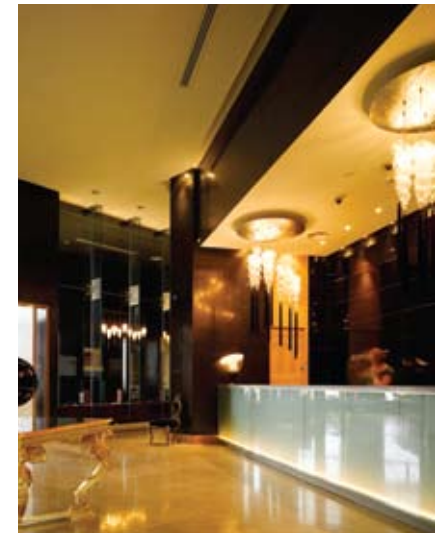

STYLE, is nothing without substance, LUXURY, hollow without a welcome. LOCATION, meaningless without comfort.

These truths define everything we think and do at Seafield. Perched on Ireland's south-east coast, here is a remarkable celebration of true excellence, realised in a destination that will seduce the senses and free your spirit. More than a hotel, it's an unforgettable experience.

Here you'll enjoy old world levels of attention to service in a setting that reflects the best of cultivated contemporary living. Here you'll find yourself in a haven of relaxation that leaves every pleasure heightened, every visit too short.

RELAX STAY UNWIND
Take time out from the game of life to rebalance body, mind and spirit.

From our stylish deluxe bedrooms to the exceptional executive suites, our accommodation boasts panoramas of the sea to the lush rolling landscape of our golf course. Some feature balconies or ground floor terraces that bring the breathtaking scenery even closer.

These are no everyday rooms. Featuring deep slumbering pillow top mattresses and contoured bath tubs that let you read as you bathe, exquisite taste marks each interior choice. Surrounded by all this style and luxury, it's no wonder guests sometimes seem a little reluctant to leave.

BEAUTIFUL DREAMER

Give yourself up to a new level of contemporary elegance where style intersects with indulgence. Retire to rooms that are sanctuaries of elegance, havens of good taste.

To have a great restaurant is an essential part of any great hotel experience, and SEAFIELD is no exception. Here you'll dine fabulously. With skilled chefs and delicious local ingredients, delightful spaces and warm welcomes, it's a recipe for success even before the first bottle's uncorked, the first course sampled.

TO DINE FOR
Savour every moment and mouthful. Take in every scent and colour. Relish every taste and texture.

SEAFIELD features a choice of dining options from the refined Seafield Restaurant with its view across the golf course to the more relaxed setting of the Club House. There's even a private dining room, the Tara, which is perfect for business events or family celebrations.

Each has its own atmosphere and mood, its own style and charm. Great food you'll find in all of them of course, with an emphasis on fresh produce and an excellent wine cellar.

Furthermore, if you're just looking for a quick snack or something casual, we have a tasty extensive bar menu available from early to late.

FOOD FOR THE SOUL

It's at once the most primitive and sophisticated of experiences: to break bread, to share a table. Elevate it in a room that makes the mood, with food that makes the moment.

OCEO SPA at SEAFIELD is simply an exquisite experience, an oasis of personal therapeutic indulgence, a healing retreat of revitalisation and restoration, a world class spa boasting unique, customised treatments. OCEO SPA is all this and more.

SEAFIELD GOLF CLUB boasts an 18 hole cliff top parkland course. Designed by internationally renowned course designer Peter McEvoy. SEAFIELD, on its superb coastal setting, has been constructed to the highest USGA specifications.

Mature woodlands and water hazards of the front nine are in stark contrast to the long fairways, crosswinds and bunkers of the back nine. Down towards the sea, the eleventh and seventeenth boast stunning cliff top tees. The four hundred and twenty yard eighteenth brings play back to the breathtaking surrounds of the clubhouse.
